BIO and PRESS RELEASE

Joe KNIGHT was born in Northeastern Ohio into a Christian home where he learned early in life that he had a God given ability to play the piano. Trained as a classical pianist he surrendered to full time service at a young age. He has now served as a Minister for more than 34 years.

In addition to serving several Churches, Joe has also travelled full time with a music group and as a soloist, produced multiple audio and video recording projects and even produced a Gospel Music show in Branson.

Joe has also been involved with Law Enforcement for more than 30 years first as Chaplain, and later as a Peace Officer including a 2-year role as Chief Deputy for his East Texas County. He currently lives in Greenville Texas with his wife Shaunda, where they served Family Fellowship Church from 1995-2016.

Joe's son Matt also surrendered to the ministry at a young age. Matt was in his third year of study at Criswell College and was fulfilling an internship in the Middle School Ministry, as well as Worship Ministry at Family Fellowship. It was here that Joe lived many Pastors' dream; to serve side by side with their son.

Then came a cold winter morning two days before Christmas in 2007 when their worlds would be turned upside down. Nothing could have prepared either man, father or son, for the journey that would come when Matt was diagnosed with cancer.

Tears In A Bottle... Lessons From A Broken Heart

The Journey is detailed in a book that shares not lessons from Joe, but rather a sharing of the lessons God taught him, a career Minister, through this life changing event. The Journey can be furthered through the STUDY GUIDE and DVD of the same title designed for small group and individual study. Not only do

you get more insight into the Journey, but also this is a tool that can be used to teach and encourage others to care for the grieving people around them.

The Greater Journey... **Live Worship Event**

This life changing event in their family has led Joe and Shaunda to resign their successful local church ministry to embark on a 2-year odyssey to share this amazing story of hope. Joe's live presentation of this compelling story is truly a worship *experience* interweaved with videos, traditional, worship and original music that follows this journey through both tragedy and triumph.

This is a journey that will have you in tears one moment and laughing the next while you are being drawn into intimate communion with God. Along the way you will find great encouragement and hope, and will be reminded to "never take one moment for granted". You will also be brought face to face with a clear presentation of the Gospel... all in less than one hour.

On The Virge... **The Journey of a Lifetime**

Follow Joe on his blog at www.joeknight.us. Here Joe chronicles this 2-year odyssey *as it happens*, in a blog that may even become a new book of the same title. By the way, don't let the spelling of "virge" bother you. "The Virge" was Matt's nickname and also the name given to the RV that Joe and Shaunda share on this "Journey of a Lifetime".

Don't miss any chance to come in contact with this amazing story of hope whether it be through the book or what may be a once in a lifetime opportunity to participate in a worship service unlike any you have ever experienced.

Joe's book is available from most major booksellers websites as well as his personal website; www.joeknight.us. Here all CD's, DVD's and Study Guide are available as well.
